The Bearded Collie Club extends a warm welcome to ALL Bearded Collie owners. We cater for all types of Bearded Collie enthusiasts from Pet owners, Obedience and Agility competitors, Flyball, Hoopers to Show exhibitors.

All members automatically become a member of one of our five regional Branches which hold a variety of events, talks, walks and 'Fun Days' which include Beardie games, grooming demonstrations and we are always here with helpful advice. Every member is very welcome at any event around the country – or to get in touch with us regarding anything Beardie. Whether their interest lies in owning a well-cared for pet, a show or an obedience Beardie we are here for our members. In addition to Branch functions, the Club holds a Championship show and two Open shows a year and also organises Obedience, Agility and Working Test events.

Once a year, members receive the 'Bearded News' magazine with articles and photographs of interest to all Beardie owners. The Club also publishes an annual Year Book which includes all the show and working results for that year, members adverts, a stud dog register, health test information and a directory of members who have given their permission for their name, address and telephone number to be included.

Items for sale (jewellery, books, all kinds of Beardie memorabilia) are available from the Club stall at Crufts, Club shows and BCC website <https://beardedcollieclub.co.uk/store/store.php> (more information from Mrs Patricia Wincott - email: beardiegirls@outlook.com).
